"THE best is the cheapest." This is an old adage and the essence of wisdom. The best medicine and the only sure cure for diseases of the liver, kidneys and bladder is the old and reliable HUNT'S [Kidney and Liver] REMEDY. Physicians indorse it highly and prescribe it in their practice.

ANGOSTURA BITTERS do not only distinguish themselves by their flavor and aromatic odor above all others used, but they are also a sure preventive for all diseases originating from the digestive organs. Beware of counterfeits. Ask your grocer or druggist for the genuine article, manufactured by Dr. J. G. B. Siegert & Sons.
